Folks,

Late yesterday evening we received OCFO comments on the FY19 HHRA budget narrative for S&T. Attached is the version cleared by Tina (one clean, the other showing track changes). OCFO requested a one-day turn around for our response, so please review this version and get back to me and Hyon as soon as possible, preferable by 10:00 tomorrow morning. Thank you,

Hi Eric,

Please see attached FY 19 PB HHRA narratives for S&T that has just cleared HHRA with OCFO comments resolved. I understand this may need to go through IOAA concurrence. I've attached both clean and tracked changes versions. Please forward

this to IOAA (I'm guessing more clout coming from you than me!) - noting that OCFO needs any changes back ASAP - hopefully by COB today.

Thank you,

Hyon
